Would you like an additional discount  
on RBC Life Sciences products?  
It's as easy as 1,2,3.

- 1) Decide which RBC products you need on a monthly basis. Simply ask yourself "which combination of products do I need to give myself and my family abundant health everyday?" Write them down and make sure the combined total is equal to or greater than 100 PQV.
- 2) Call our Order Entry line at 1-800-381-6688 to let us know which products you would like to receive on a monthly basis. Tell them you are ready to get on the Automatic Monthly Order program.
- 3) Sit back and relax while your favorite RBC products are delivered to your door once a month. You just saved 10% on that order! And just in case you forgot something, you will save 10% on any other order you place that month!
